

# Alexandria Selectmen's Meeting Minutes

## December 29, 2015

➤ **Members Present:** George Tuthill and Robert Piehler

➤ The meeting came to order at 9:40 am

➤ **Business**

○ The Selectmen discussed repairs that are needed to a bridge on Brook Road with Jeff Cantara, Road Agent. Options discussed were purchasing a 40 foot temporary bridge, repairing the bridge how it is or replacing the bridge and the cost of those options. The Selectmen will be discussing including replacing the bridge on a warrant article for 2016 with the funding to potentially come from the unassigned fund balance and the bridge line of the operating budget.

○ Mr. Cantara informed the Selectmen that he ordered new weight limit signs for Bailey Road Bridge and concerns that trucks exceeding the weight limit are being driven over the bridge.

○ There was discussion regarding concerns about items in turnaround areas the Highway Department uses on Gale Road.

○ After discussion concerns with the heating system at the old town hall, the Selectmen made the decision to not rent the hall for private functions until appropriate repairs are made.

The meeting adjourned at 10:25 am

Respectfully Submitted,
