

# Alexandria Highway Advisory Committee

## December 2, 2015 Minutes

**Members Present:** Dennis Ford, Ronald MacLean, and Jeffrey Cantara

**Also Present:** George Tuthill

The meeting came to order at 6:00 p.m.

The committee discussed the leasing of new equipment and vehicles for the Highway Department and the wording of potential warrant articles for the items.

There was discussion regarding having the paving request in a warrant article and eventually including it in the highway department operating budget.

There was discussion regarding the repair status and readiness of vehicles and equipment for the winter.

There was discussion regarding the projects that the highway department completed this year, including Cole Hill Road Bridge, Gove Road culvert replacement, and Thissel Road paving.

There was discussion regarding estimated cost to replace several bridges in town, including Knowles Hill Road Bridge, Bailey Road Bridge, and the middle bridge on Brook Road.

The next meeting will be held in March or April.

The meeting ended at 7:55 p.m.

Respectfully submitted, Jennifer Dostie
