

Alexandria Selectmen's Meeting Minutes

January 31, 2018

➤ **Selectboard Members Present:** George Tuthill, Robert Piehler, and Chet Caron

➤ The meeting came to order at 10:00 am

➤ **Business:**

- The Selectmen discussed the need to replace a sander that failed on one of the highway department trucks; the Selectmen signed a purchase order for the replacement sander was signed.
- Mr. Tuthill requested permission for the other board members to reach out to Commissioner Taylor Caswell, NH Department of Business and Economic Affairs; Mr. Piehler and Mr. Caron approved. This relates to a conversation Mr. Tuthill had with Senator Guida regarding attracting business to Alexandria.
- There was discussion regarding an email Mr. Tuthill received from Steve Whitman asking if he had permission from the Board of Selectmen to appoint people to a committee to review locations for a transfer station. The Selectmen do not approve of Mr. Whitman appointing people to committee and feel that Selectmen involvement is needed. Mr. Tuthill said he will respond to Mr. Whitman to inform of that decision and to remind Mr. Whitman that all meetings of a committee must be posted and open to the public.

Meeting adjourned at 10:07 am.

Respectfully Submitted,
Jennifer Dostie, Administrative Assistant
