- **Items Reviewed and held for further discussion**
 - The Selectmen reviewed an application from Lakes Region Conservation Trust applying for a charitable exemption. The Selectmen will request a meeting with Don Berry from LRCT to discuss the application.
- **Departments/Commissions/Appointments**
 - Representative Vincent Paul Migliore
 - Mr. Migliore addressed concerns brought up at the April 3rd Selectmen's meeting regarding the lateness of the education portion of the tax rates for area towns; Mr. Migliore provided a response from Stacy Buckley, Superintendent of Schools, expressing her surprise that it was brought up and stating that all area towns were provided with information when it occurred. Mrs. Dostie explained that the correspondence was reactionary after the SAU office received calls from towns concerned about not having the tax rates set.
 - Mr. Migliore said that the School Board met with Mr. Auger on April 9th to discuss his concerns regarding how the default budget for SAU4 was generated; Mr. Migliore stated that the School Board and the School's legal counsel feel that nothing was done incorrectly. Mr. Migliore said that, as a legislator, he is working with a committee to clarify default budget calculations for SB2 communities and school districts.
 - Mr. Migliore provided a brief description of items currently being reviewed by legislators including the death penalty, Marcy's Law, school choice, voter registration and discussed attempts to have the Veterans' Tax Credit increased from a range of \$50 to \$500 to a range of \$50 to \$750.
 - Michele Sanborn thanked Representative Migliore for his support of legislation for the NH Community Rights Amendment.
- **Business**
 - The Selectmen reviewed a letter from a concerned citizen about speeding on West Shore Road. The Selectmen have already spoken to Chief Sullivan, he is aware of the problem and increases patrols in the area in the summer. State Representative Migliore mentioned that Bridgewater has a similar problem with a section of Route 3 near the lake; he said that believes the Selectmen have the authority to temporary change the speed limit in a location even if it is a state road.
 - George Whittaker brought to the Selectmen's attention that the Plumer Hill Road sign at the intersection of Hemphill Road is missing.
 - There was a brief discussion regarding the placement of a new sign on Washburn Road stating "This is a country road subject to: bumps, mud, snowfall, trees down. Please drive accordingly."

Meeting adjourned at 6:37 pm

Respectfully submitted,

Jennifer Dostie, Administrative Assistant
