Meeting called to order: 6:08 pm

Items of discussion:

Discussion was held in regards to review budgets with the selectman in an effort to minimize the time department heads would need to be present.

First meeting for review of budgets will occur on Tuesday, Oct. 16, immediately following the board of selectmen meeting.

The board did ask several questions to Jennifer Dostie regarding certain line items of individual budgets that she had knowledge of.

Select board has not yet discussed wage amounts, so proposed budgets from the department heads at this time do not show those amounts. Selectmen will review these prior to submitting actual budgets to the committee.

Board accepted resignation of Donna Doucette.

Voting results:

No items were voted on at this time
