  - The Selectmen reviewed a complaint regarding a culvert near 291 McMurphy Road; they discussed that there has been no change to the road or drainage in that area. Mr. Cantara addressed the property owners concern that the highway department plowed sand on his lawn and damaged a lilac bush as retaliation for the initial complaint last year; Mr. Cantara stated that the highway would not do things vindictively.
  - The Selectmen accepted a donation from Virginia Brahms for cemetery maintenance.
- ❖ **Department Heads**
  - Jeff Cantara, Road Agent
    - Mr. Cantara provided an update on highway department activities. Spring grading is ongoing. Cass Mill Road and the Washburn Road intersection are being prepped for paving.
  - Tony Brown, Transfer Station Supervisor
    - Mr. Brown discussed concerns with ongoing problems regarding the transfer station's policy of not allowing people in 15 minutes prior to the posted closing time. He reported that people have been throwing trash over the fence or going under the gates to dispose of trash. Mr. Brown has ordered additional signs stating the closing time policy. He also expressed concerns with individuals that refuse to put the transfer station stickers on their vehicles and people bringing in multiple loads a day without a commercial permit. The Selectmen requested that Mr. Brown keep a log of the problems and the Selectmen will repeat offenders letters revoking their transfer station privileges. There was also discussion of installing cameras at the transfer station.

Meeting adjourned at 7:05 p.m.

Respectfully submitted,  
Jennifer Dostie, Administrative Assistant
