    - Mr. Cantara explained that grading should be finished soon and has been a longer process to deal with since members of the highway department have been on vacation.
    - Cass Mill Road paving has been completed. Shoulder gravel still needs to be completed.
    - Mount Cardigan Road still needs paving over a section that had been damaged in the October 2017 storm; grant funds should be available to cover paving that section.
    - Mr. Cantara heard that the state is going to be working on repairs to a section of Washburn Road on the hill after the fire station.
    - Mr. Cantara has suggested that there should be a five-year plan for paving and that the Town should look into the possibility of funding increased paving through bonding. The Selectmen suggested scheduling a meeting to obtain public input into road improvements.

Respectfully submitted,  
Jennifer Dostie, Administrative Assistant
