 - The Selectmen reviewed options for a building permit ordinance or notice of intent to build. They discussed that being notified of new construction is used to make sure properties are appropriately and fairly assessed. The Selectmen will be drafting a building notification form and will hold public hearings prior to its adoption.
 - Mr. Piehler reviewed the 2019 tax rate chart. The total tax rate \$24.04 with 65% of that going to the school district, 8% to Grafton County, and 27% to the town.
 - Michael Provost asked about the status of the public access tv showing the Selectmen's meetings; the station has been down temporarily while Bristol moved their town offices and should be up and running soon.

Meeting adjourned at 6:10 pm.
