  - Bob Gray was present to express his concerns that the water run off on Sye Ali Road has not been stopped. Mr. Tuthill said that the drainage issue will be correct in the spring. Mr. Gray threatened legal action if the issue wasn't address. Mr. Gray also stated he would dig up Sye Ali Road; the Selectmen did not give Mr. Gray permission to do work on Sye Ali Road. Mr Gray said that the water running through the trench would be alleviated if the pipe on Mr. Prentice's property was capped; the Selectmen stated that they were unaware there was a pipe and thought it was a water bubbling up through the ground. The Selectmen will revisit the site and consult with Town Counsel again on the issue.

Meeting adjourned at 6:28 pm.
