

Minutes for the October 28, 2020 Alexandria Conservation Commission Meeting

Unfortunately, again our meeting had to be cancelled for lack of a quorum; several of our members had a conflict with a state mandated pre-election training meeting. Agenda items will be carried forward to the November meeting.

Our November and December meeting may have date changes due to the Thanksgiving and Christmas holidays. Alternative dates under consideration are 11/11 and 12/16. Any changed to our meeting dates or times will be posted at: the Municipal Building, Transfer Station, and on the bulletin board at the Town Hall. Interested parties should check one of these locations for updates.
