

Minutes for 25 November 2020 Alexandria Conservation Commission Meeting

For the 3rd month in a row, we were forced to cancel our meeting due to there not being a quorum present. It appears that the COVID-19 pandemic combined with the Thanksgiving holiday caused members not to attend. It appears that the situation [COVID-19] will only worsen over the next several weeks and the Commission is considering some type of virtual meeting in December. Fortunately, there have not been any items requiring the Commission's immediate attention; however, we are now at a point where year-end reports and planning for 2021 projects need to be addressed. Because all meetings of the Commission are open to the public, there are certain protocols that are required, and compliance is difficult with the restrictions imposed by state due to the COVID-19 pandemic. We are doing our best and encourage residents to check our webpage on the town website and review the minutes of our meeting as well as informational updates.
