WELLINGTON STATE PARK PASSES: Wellington State Park beach passes are available to be purchased through the Town Clerk/Tax Collector's Office. Wellington State Park is owned and run by the State of New Hampshire. Each year, the Town applies for a special use permit from the State in order to provide the passes. The special permit only grants the town the ability to sell passes to residents and/or taxpayers of the Town of Alexandria, their spouses and dependent children. The beach passes are nontransferable. Please keep in mind that the state recommends making reservations to the park otherwise access to the park is on a first come/first serve basis. Please plan ahead in the event the parking areas reach capacity. For more information or to make a reservation visit nhstateparks.org.

Electronic checks (ACH) are charged a flat fee of \$0.95 per transaction. Credit and debit cards are charged 2.95% of the amount being paid. For instance, if you are paying \$100 by credit card, the service fee will be \$2.95. **Making a Partial Payment?** Partial payments can be made by adjusting the Payment Amount on the Check Out Page.

Alexandria Community: Disaster Volunteerism

**Do you have Medical Training? A Special Skill? ATV or Heavy Equipment?
Do you want to be able to help in the event of a local large-scale disaster or incident?**

This year we have started working on an initiative to create a roster of community members of whom we can call on in the event of a large-scale incident or disaster. This would include any Alexandria residents who are willing to donate their time, medical assistance and/or resources, such as tools and/or heavy equipment, before, during, and after, a large-scale incident. Community Volunteer members can help by performing basic response activities, including checking in on their neighbors following an incident to make sure they are okay, assisting with search and rescue operations, and helping out with the emergency shelter, thus allowing professional responders to focus on more complex tasks. Community volunteers can also help by organizing, promoting, and participating in emergency preparedness events, activities, and projects. We all have a role to play in keeping our community safe. What role will you play? **If interested in being added to this roster, sign up forms are available at the Town Hall.**

CodeRED™ CodeRED® is the FREE community notification system available to Alexandria residents that will send you alerts concerning time-sensitive and/or emergency information that may impact your area via phone calls, text messages, emails, and social media. AVFD encourages you to actively participate in emergency preparedness by remaining informed.

Uses: The CodeRed® system will be used to send critical communications, from evacuation notices to missing child alerts.
