Alexandria Community: Disaster Volunteerism

Do you have Medical Training? A Special Skill? ATV or Heavy Equipment?

Do you want to be able to help in the event of a local large-scale disaster or incident?

This year we have started working on an initiative to create a roster of community members of whom we can call on in the event of a large-scale incident or disaster. This would include any Alexandria residents who are willing to donate their time, medical assistance and/or resources, such as tools and/or heavy equipment, before, during, and after, a large-scale incident. Community Volunteer members can help by performing basic response activities, including checking in on their neighbors following an incident to make sure they are okay, assisting with search and rescue operations, and helping out with the emergency shelter, thus allowing professional responders to focus on more complex tasks. Community volunteers can also help by organizing, promoting, and participating in emergency preparedness events, activities, and projects. We all have a role to play in keeping our community safe. What role will you play? **If interested in being added to this roster, sign up forms are available at the Town Hall.**

Meeting minutes, newsletters, alerts and other helpful information is updated on the Town's website on a regular basis.
