With winter fast approaching, we thought it might be beneficial to remind residents about our current winter sand availability policy and ordinance regarding plowing snow across road.

Policy Regarding Availability of Sand:

- Sand is available behind the Municipal Building (47 Washburn Road).
- Residents of the Town of Alexandria are allowed to fill up five 5-gallon buckets with sand for use on their property.
- The filling of pick-ups or other trucks and use by contractors is prohibited.
- Removal of sand by residents at the Highway Garage on Mundy Road is prohibited.
- The fine for a violation of this policy is \$100 per incident.

Snow Plowing Ordinance: Plowing of Snow into Roadways

To promote the safe and orderly passage of the motoring public on the Town's roads, free from obstructions and obstacles created by the removal or depositing of snow, the Town of Alexandria hereby adopted the following ordinance on February 5, 2019. No person shall by himself or by his agent or agents throw, push or put any snow or ice into or across any and all Town roads, including Class V and Class VI, or to deposit snow within the traveled portions of Town roads. Across any and all Town roads shall mean pushing snow from one side of the road to the other where snow would be deposited within the right-of-way of any road. Traveled portion shall mean any part of the roadway in which vehicles would travel or within the shoulders of said roadway.

Any person who violates the provisions of the Snow Plowing Ordinance shall:

- Receive written warning for first offense
- Subsequent offenses shall be subject to a fine of \$25 for each occurrence

Police Department

We are happy to announce, while we can't officially name the candidate just yet, a conditional offer has been made to an applicant for the Police Officer position. We are in the process of all of the background investigation and hope to have this candidate on board by the end of the year.

We also received word of a successful resolution the individual charged in April for animal cruelty stemming from an investigation with the NHSPCA and NH Department of Agriculture; pled to and was found guilty and will pay a fine and was banned from ever having livestock again. This case was one of the most heinous animal neglect cases that has been investigated in Alexandria and we can't thank our partners at the NHSPCA enough for helping to remove several dozen neglected animals from the property.

In conjunction of some intensive team work with the US Marshal's Office; NH State Police- Sex Offender Registry; Plymouth Police; Meredith Police; NESPIN; Garvin County (OK) Sherriff's Office; and the Oklahoma Dept of Corrections, the Alexandria Police Department received word that an individual originally from Oklahoma had been residing in Alexandria and neglected to check in as required under Sex Offender regulations, and plead guilty in a US Federal Court, will serve time and pay a fine.

Alexandria still continues our mission to be a Recovery Friendly Community and the Town of Alexandria a Recovery Friendly Workplace; there are resources (not just related to recovery, but many opportunities that folks have asked for) on the Resource Wall in the hallway between the PD and Town Clerk, all resources are available with no questions asked.

Meeting minutes, newsletters, alerts and other helpful information is updated on the Town's website on a regular basis.

Alexandria adopted the Official Ballot Referenda (SB2) in 2010. Official Ballot Referenda is a form of town meeting that has two sessions. The first session (deliberative session) is for explanation, discussion, debate and amendments to the proposed operating budget and warrant articles (see NH RSA 40:13, IV below). The second session (voting session) allows voters to cast an official ballot to pass/fail proposed articles. The Town Warrant and Budget will be posted online and available at the Municipal Building by January 29, 2024.

Per NH RSA 40:13, IV

IV. The first session of the meeting, governed by the provisions of RSA 40:4, 40:4-a, 40:4-b, 40:4-f, and 40:6-40:10, shall consist of explanation, discussion, and debate of each warrant article, including warrant articles pertaining to the operating budget and the default budget. A vote to restrict reconsideration shall be deemed to prohibit any further action on the restricted article until the second session, and RSA 40:10, II shall not apply. Warrant articles may be amended at the first session, subject to the following limitations:

(a) Warrant articles whose wording is prescribed by law shall not be amended.

(b) Warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended.

(c) No warrant article shall be amended to eliminate the subject matter of the article. An amendment that changes the dollar amount of an appropriation in a warrant article shall not be deemed to violate this subparagraph.

Newfound Lake Region Association

2023 NLRA Watershed Workshop

Monday, November 13, 2023 at 6:00 pm

Alexandria Town Hall, 45 Washburn Road, Alexandria, NH

The Newfound Lake Region Association's partnership and collaboration with towns is critical to NLRA's success in protecting the lake and watershed; part of this collaboration is the Watershed Workshop. This provides a chance for town planning boards, select boards, conservation commissions, zoning boards, and road agents to connect with NLRA and with each other so we can all work together to keep the Newfound area healthy and vibrant. This year's workshop will include an NLRA presentation on watershed planning efforts throughout the watershed, an update from the towns about important 2023 projects and priorities moving forward, and time for boards from each town to connect with their peers from other towns. For more information, contact NLRA Executive Director Rebecca Hanson at Rebecca@NewfoundLake.org or (603) 744-8689.

Meeting minutes, newsletters, alerts and other helpful information is updated on the Town's website on a regular basis.

Haynes Library

From the Haynes Library Board

A small but dedicated group of volunteers is continuing to work on the Haynes Library. The air quality issues have been addressed (after the building was closed for five years); the interior walls have been patched and are being painted; the heating oil tank is being replaced; the cable and telephone wiring has been updated.

Although this project is time-consuming, it is rewarding. Haynes Library is a treasure, and we are working to preserve it, as well as to make it relevant for today and the future.

Alexandria Community: Disaster Volunteerism

Do you want to be able to help in the event of a local large-scale disaster or incident?

This year we have started working on an initiative to create a roster of community members of whom we can call on in the event of a large-scale incident or disaster. This would include any Alexandria residents who are willing to donate their time, medical assistance and/or resources, such as tools and/or heavy equipment, before, during, and after, a large-scale incident. Community Volunteer members can help by performing basic response activities, including checking in on their neighbors following an incident to make sure they are okay, assisting with search and rescue operations, and helping out with the emergency shelter, thus allowing professional responders to focus on more complex tasks. Community volunteers can also help by organizing, promoting, and participating in emergency preparedness events, activities, and projects. We all have a role to play in keeping our community safe. What role will you play? **If interested in being added to this roster, sign up forms are available at the Town Hall.**

CodeRED™ CodeRED® is the FREE community notification system available to Alexandria residents that will send you alerts concerning time-sensitive and/or emergency information that may impact your area via phone calls, text messages, emails, and social media. AVFD encourages you to actively participate in emergency preparedness by remaining informed.
