ALEXANDRIA TOWN VOTING DAY (SECOND SESSION OF TOWN MEETING)

When: Tuesday, March 12, 2024 polls open 11:00 am to 7:00 pm

Where: Town Hall, 45 Washburn Road, Alexandria, NH

The Town Warrant, Budget, Deliberative Session Meeting Minutes, and a Sample Ballot are available on our website under "News & Notices". Annual Reports will be available no later than Tuesday, March 5, 2024 and will include the final budget and ballot questions. (NH RSA 40:13, II).

Alexandria adopted the Official Ballot Referenda (SB2) in 2010. Official Ballot Referenda is a form of town meeting that has two sessions. The first session (deliberative session) is for explanation, discussion, debate and amendments to the proposed operating budget and warrant articles (see NH RSA 40:13, IV below). The second session (voting session) allows voters to cast an official ballot to pass/fail proposed articles. The Town Warrant and Budget is available online at alexandrianh.com under "News & Notices" and in the municipal building.

Planning Board

The Alexandria Planning Board is preparing to update the Town's Master Plan. The Alexandria Master Plan was last updated in October 2014. In order to be responsive to current conditions, the State highly advised that the Master Plan is updated within 5-10 years.

A critical element to updating the Master Plan is obtaining the vision of the residents and property owners in Alexandria. Each member of your household over 18 years of age is invited to participate.

There are no "right" or "wrong" answers to the questions on the survey. Your answers to the questions are very important and will help the Planning Board construct a Master Plan representative of the views of the Town. Responses to the survey are anonymous.

Please complete only one survey per person and return the completed survey by MARCH 31, 2024 to the Town Hall. You may also scan and email your completed survey to: AlexandriaPlanningBoard@gmail.com.

Thank you!

Alexandria Community: Disaster Volunteerism

Do you want to be able to help in the event of a local large-scale disaster or incident?

This year we have started working on an initiative to create a roster of community members of whom we can call on in the event of a large-scale incident or disaster. This would include any Alexandria residents who are willing to donate their time, medical assistance and/or resources, such as tools and/or heavy equipment, before, during, and after, a large-scale incident. Community Volunteer members can help by performing basic response activities, including checking in on their neighbors following an incident to make sure they are okay, assisting with search and rescue operations, and helping out with the emergency shelter, thus allowing professional responders to focus on more complex tasks. Community volunteers can also help by organizing, promoting, and participating in emergency preparedness events, activities, and projects. We all have a role to play in keeping our community safe. What role will you play? **If interested in being added to this roster, sign up forms are available at the Town Hall.**

CodeRED™ CodeRED® is the FREE community notification system available to Alexandria residents that will send you alerts concerning time-sensitive and/or emergency information that may impact your area via phone calls, text messages, emails, and social media. AVFD encourages you to actively participate in emergency preparedness by remaining informed.

Uses: The CodeRed® system will be used to send critical communications, from evacuation notices to missing child alerts.

BURN PERMITS

Burn permits can now be obtained online – <http://www.nhfirepermit.com/>

All categories of burn permits are also available in the Selectmen's Office during normal business hours.

Before burning, please check the daily predicted fire danger. Visit www.nhdfi.org/Community/Daily-Fire-Danger. The daily fire danger rating may also be obtained by calling the Division of Forests and Lands wildfire information line (toll free): 1-866-NH-FIRES (866-643-4737)

Do I need a permit to burn when the ground is covered with snow? Every person who kindles a fire or burns material shall obtain a written fire permit **EXCEPT** when the ground is covered with snow. Covered with snow means that the area within a 100' radius from the fire edge is covered with or other frozen precipitation sufficient to prevent the combustion of woodland fuels until the fire is completely extinguished.
