Mike made a motion to accept last month's minutes. Second by Ed all in favor.

Review of request forms that other towns use for agencies requesting donations from there towns. Don feels if we use request forms then they need to be approved by the selectmen. There were concern over the one that was passed out that it was asking for more information than we need. Doug would like to see information of agencies non-profit status and would like a deadline for when all requests for money to be submitted by.

Don has contacted some of the agencies requesting money to have them come in to talk with the committee. Currently, we will I have Aubrey Engle from Pemi Baker come on August 13th to talk to us and answer questions. On September 10th Beth Vachon from LRMH. Don has reached out to the TTCC with no call back. TTCC receives the most amount of money every year out of all the agencies that request money. It was agreed by the entire committee we would like to have an in-person meeting with TTCC. Some residents in the town have expressed that they would like to see some of the money that gets allocated to TTCC remain in the town to set up things for kids in town.

Danielle made Don aware that September 10th is voting day for the state primary. Don wants to keep meeting as scheduled.

Mike informed us that Granite state United Way donated cots and blankets to the town.

Motion to adjourn by Danielle second by Mike all in favor. Meeting adjourned 7:00PM
