 - Nancy McComas-Sharp expressed concern regarding people using her driveway to access Burns Hill Road from Plumer Hill Road. She said that there are signs stating it is a private way, not a thru road, and no trespassing, but that some people still drive through looking for a short-term rental home on High View Drive. The Road Agent has moved the sign for King Road in order to make it more visible. It was suggested that she put up a gate; she expressed concern about missing deliveries if she puts up a gate or chains the driveway.
 - Cameron Oulette was there to present the cost information for the street light project. The Selectmen will review the paperwork.

Meeting adjourned 6:27 pm
