**The Town of Alexandria commences hazard mitigation planning.** The Alexandria Emergency Management Director (EMD) will meet with June Garneau of Mapping and Planning Solutions to work on the required five-year update to the **Alexandria Hazard Mitigation Plan**. The Town and Mapping and Planning Solutions are conducting a series of hazard mitigation meetings over the next few months to develop the plan. During these public meetings, the Hazard Mitigation Planning Team (HMPT) will address natural, technological, and human-caused hazards such as Inland Flooding, Long-Term Utility Outages, and Transport Accidents; the Team will also determine "Action Items" to help mitigate the effects of these hazards. The Team will also review shelter sites and the need for generators at those sites. By examining critical infrastructure and key resources, along with past hazards, the Team will establish priorities for future mitigation projects and steps that can be taken to increase public awareness of hazards in general. As mandated by the Disaster Mitigation Act of 2000, all municipalities must complete a local hazard mitigation plan to qualify for Federal Emergency Management Administration (FEMA) funding should a natural disaster occur. FEMA grants make the planning processes possible.

Alexandria citizens and any interested stakeholders are invited to participate. The public is encouraged to attend all meetings. To be included in the process, all interested parties should contact George Clayman, Fire Chief & EMD, by email at fire@alexandrianh.com; interested parties will be added to the Zoom meeting invitation list. Meetings are scheduled for August 14, September 18, October 16, November 13, December 11, 2024, and January 15, 2025. All meetings are scheduled for Wednesdays, 2:00 PM to 4:00 PM.

### Alexandria Community: Disaster Volunteerism

#### Do you want to be able to help in the event of a local large-scale disaster or incident?

This year we have started working on an initiative to create a roster of community members of whom we can call on in the event of a large-scale incident or disaster. This would include any Alexandria residents who are willing to donate their time, medical assistance and/or resources, such as tools and/or heavy equipment, before, during, and after, a large-scale incident. Community Volunteer members can help by performing basic response activities, including checking in on their neighbors following an incident to make sure they are okay, assisting with search and rescue operations, and helping out with the emergency shelter, thus allowing professional responders to focus on more complex tasks. Community volunteers can also help by organizing, promoting, and participating in emergency preparedness events, activities, and projects. We all have a role to play in keeping our community safe. What role will you play? **If interested in being added to this roster, sign up forms are available at the Town Hall.**

**CodeRED™** CodeRED® is the FREE community notification system available to Alexandria residents that will send you alerts concerning time-sensitive and/or emergency information that may impact your area via phone calls, text messages, emails, and social media. AVFD encourages you to actively participate in emergency preparedness by remaining informed.

**Uses:** The CodeRed® system will be used to send critical communications, from evacuation notices to missing child alerts.

**Caller ID:** When you see the following displayed, you will know the call is from us. If you would like to hear the last message delivered to your phone, simply dial the number back.

## DAY AWAY PROGRAM

The Day Away Program is a ministry of Holy Trinity Parish in Plymouth. A non-denominational /nonprofit program is held on Thursdays in Bristol at Our Lady of Grace Chapel in Simard Hall, 17 West Shore Road, from 9:00am to 3:00pm. It is a program for those individuals who have Alzheimer's Disease or related dementia. The program is designed to help them maintain their independence, encourage socialization, be mentally stimulated and remain active. Studies have shown that music therapy helps people with Alzheimer's Disease or dementia both cognitively and in movement. Therefore, every Thursday we have a visiting musician/singer at Day Away for a nice sing-along. Everyone participates and loves it !!!

Day Away offers a time of respite for the family and caregivers. It is a safe and comfortable environment, staffed by trained volunteers and a Registered Nurse. Participants make friends, enjoy crafts, lunch, games, light exercise, and, as mentioned, visits from the local musicians. A local poet, and a volunteer for Day Away Helen Duchene, once wrote "Our hearts a little warmer, a little kinder, a little stronger, after a day at 'Day Away'".

You may know someone who would benefit from our program. We encourage you to visit. We do need volunteers. Come to Day Away, tour, stay awhile. Day Away can be fun!
