Dedication of the 2024 Alexandria Annual Report

If you live in the area, chances are good that you have run into this amazing lady! Suzanne Cheney "Sue" has lived in Alexandria for more than 45 years. She moved here with her husband Skip in 1978, and they fell in love with the area. She was already firmly rooted when Skip passed away in 1993, so with a little extra time on her hands, she became more involved with the community.

Sue served on the school board from 2001-2021 (20 years!) where she was a strong supporter of children, parents, and staff in the Newfound Area School District. She was on the building committee for the Newfound Regional High School and was the

School Board representative to the NASD Budget Committee for many years as well.

Sue fought tirelessly to keep the Alexandria Village School open as part of the NASD and continued to be involved with the after-school program at the Village School long after the school district closed its doors there. She is still very involved in the "goings on" at AVS. You might have seen her recently at the church fair running the AVS craft table.

She has been a Supervisor of the Checklist since 1998 (26 years!), where she has been a strong advocate for voter's rights, and a stickler for voting laws. She has also served as a Trustee of The Trust funds and Cemetery Trustee for the town since 2003 (21 years!).

Sue has a wealth of knowledge in many areas. She is always busy with a new, or ongoing project; no challenge is ever too big for her to tackle.

The Town of Alexandria is blessed to have her hard work and devotion!

Alexandria Selectmen's Report

For Year Ending December 31, 2024

It has continued to be a pleasure to serve the Town of Alexandria in 2024, and we thank the many who have made it so. We especially thank the Town staff and elected officials as well as the numerous townspeople who have given so generously of their time. We remind you to please refer to the reports of the various departments for a complete description

We wish to welcome new employee Matthew Willette (Highway Department), and we welcome back Ken Hall and Rodney Braley, who have stepped in to fill positions at the Transfer Station.

The past year saw four voting days with excellent turnout – the January presidential primary, voting day in March, the state primary in September, and the general election in November. Meeting this schedule took a remarkable effort by all our election officials as well as many volunteers, and we thank them for their exceptional work.

With all permits in place by mid-year, bids were solicited for the construction of the new transfer station, and work began in December under the guidance of general contractor Jim Shokal. This project has been long in the works, and its completion is expected by mid-2025. At this writing, and despite the winter weather, the site work is well underway.

After strong voter approval in March, the Town initiated steps to accept the Haynes Library, a process that was carried out under the supervision of the state's Division of Charitable Trusts and which was completed in December. This development was in response to a proposal from the citizen group that had begun the library's renovation in 2023. Town has thereby now assumed ownership of, and responsibility for, the Haynes Library.

Respectfully,
Alexandria Board of Selectmen
George Tuthill
Robert Piehler
Chester Caron

Default Budget of the Municipality

Alexandria

For the period beginning January 1, 2025 and ending December 31, 2025

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

Town Clerk/Tax Collector's Report

Year Ending December 31, 2024

<u>Veteran's Plates</u>: Good News!!! New Hampshire Clerks now have the ability to issue Veteran's passenger plates and Veteran's vanity passenger plates. Applicants must provide their DD214 form (Honorable Discharge/Separation paperwork) to the town clerk. This is the most used form, however, there are other forms which may be used as well. If your New Hampshire driver license indicates that you are an Honorably Discharged Veteran (your driver license will have an American Flag in the lower right-hand corner), you will not need to bring your DD214 into the clerk's office. Please note that the clerk's office can only issue standard Veteran plates. Specialty and/or disabled Veteran plates will still be issued at the DMV. If you require a specialty Veteran plate, you will start your registration process at the clerk's office and complete your registration at a DMV location.

Dog License Renewal:

April 30th is quickly approaching and it's time to license your dog(s). You should be receiving your dog license renewal letters shortly. Your dog(s) can be licensed by mail, online, or in person. If we do not have your dog's current rabies information, you will need to provide an up-to-date rabies certificate before we can license your dog(s). We do not necessarily receive the rabies certificates from the veterinarian's office and we do not receive any information from rabies clinics, you will need to provide a rabies certificate. All dogs four months or older need to be licensed. Fees are \$9.00 for unaltered dogs and \$6.50 for spayed/neutered dogs. Group rates (5 or more dogs) are available for \$20.00. Senior residents over 65 receive a discounted fee of \$2.00 for the first dog, with any additional dog(s) being charged full price. Late fees of \$1.00 per month, begin in May, with fees up to \$25.00. If your dog is deceased or no longer in your household, please contact our office and we will update your records. When licensing your dog, please let us know if you have had a change in your telephone number(s) in case we need to contact you. If your dog is microchipped we can add the chip number to your dog's profile. It is important that your dog be licensed, not only is it the law, but if your dog should become loose, our animal control officer will have a record of your dog and owner contact information.

Election Law Change:

New Hampshire Secretary of State, David Scanlan, would like to remind Granite State Voters that there are new requirements in place for voter registration following the passage of House Bill 1569. New voters can register to vote in the clerk's office until February 27, 2025. The Supervisors of the Checklist will be in session on Saturday, March 1, 2025 from 11:00 AM to 11:30 AM at the "Old" Town Hall, 45 Washburn Road, to accept new voter registrations. If you are unable to register to vote on or before these dates, you can register to vote at the polls on election day. To register to vote, you must be at least 18 years old on election day, an Alexandria resident, and a United States citizen. Please present your ID, proof of residency, and per House Bill 1569, proof of citizenship (birth certificate, US Passport, or Naturalization Papers). Please note: A Real ID does not prove citizenship. If your name has legally changed, for example through marriage, divorce, adoption, or a court-approved name change, and you will use any of these documents to prove United States citizenship, you must present proof of your legal name change that shows both your prior name as it appears on your proof of citizenship document and your current legal name as it appears on the voter registration application. Your marriage certificate, divorce decree, adoption papers, or the court order approving your name change will usually satisfy this requirement. This new law also removes all exceptions to the state's voter ID requirements and eliminates the affidavit ballot system. If you are unable to vote in person on election day, please contact the Clerk's Office to request an Absentee Ballot Application, or visit our website alexandrianh.com to get an Absentee Ballot Application. An Absentee Ballot may be requested up until the day before the election.

Real ID:

Effective May 7, 2025, a federally compliant Driver License or Non-Driver Identification Card, or a Passport will be required to board an airplane for domestic flights or enter a secure federal facility. Your current Driver License or Non-Driver Identification Card will be accepted until May 7, 2025. Your REAL ID Driver License or Non-Driver Identification Card will be marked with a star in the top right corner to indicate it may be used for federal identification.

REAL ID is voluntary in New Hampshire, but you should consider it if you want to travel by air domestically or enter a secure federal facility (such as a military base or courthouse) and you do not have a Passport, or other federal identification, or if you do not wish to use your Passport for those purposes.

If you do not have a Real ID your Driver License or Non-Driver Identification Card will indicate "NOT FOR FEDERAL IDENTIFICATION" and you will need another type of federally compliant identification, such as a Passport, to board a domestic flight or enter a secure federal facility.

If you have any questions regarding these topics, please do not hesitate to contact our office. I would like to wish you a happy and healthy year ahead.

Warmest regards, Francine M. Skiffington

Trustees of the Trust Funds For the Year Ending December 31, 2024

In 2024, our common trust principal increased by \$8643.62. This included \$2400.00 for the sale of cemetery plots. Income increased by \$22,835.77. For more detail, see MS9 printed in this town report. The Trustees were able to Request \$3000.00 from the 1942 Cemetery Fund, and \$4077.08 from various other cemetery trust funds, to partially reimburse the town for the cost of maintaining the cemeteries. Funds were also requested from the designated funds for the Haynes Library, and the Alexandria Church.

Funds were withdrawn from the Perkins School Trust Fund for maintenance, utilities, supplies, programs, etc. for the Alexandria Village School. This year, a new pole had to be installed, so that power could come in to the front of the building, instead of the back.

In March, the Town voted to raise and appropriate \$10,000 to be put into the Fire Equipment Expendable Trust Fund (ETF), \$10,000 for the Town Hall ETF, and \$60,000 for the Emergency Management ETF, to replace money used for repair of storm damage to our roads in 2023, due to severe flooding in June.

Cemetery Trustees For the Year Ending December 31, 2024

With the help and guidance of John Lord from the New Hampshire Old Graveyard Association, we were able to clean and/or repair a number of stones at Crawford Cemetery. Work will continue this summer. There has been work in progress on a Civil War Veteran's stone, which will require 2 or 3 more sessions.

We appreciate the work of David Blais, our Sexton, and his crew for their multi-faceted care of our cemeteries.

Respectfully submitted, Douglas Benton, Suzanne Cheney, Susan Hunt Trustees of the Trust Funds/Cemetery Trustees

Town of Alexandria

Department and Committee Reports for year ending December 31, 2024

Supervisors of the Checklist For the year ending December 31, 2024

The NASD Deliberative session was held on February 1st at 10 am at the Newfound Regional High School.

Our Town Deliberative session was held on February 8th at 10 a.m. at the Alexandria Town Hall.

Our Town/ School Election will be on March 11th, 2025. The polls will open at 11 a.m. and close at 7 p.m. at the Alexandria Town Hall, 45 Washburn Road.

As of January 21st, 2025, we have 231 registered Democrats, 535 registered Republicans, and 533 registered Undeclared voters, for a total of 1,299 registered voters.

For the November 5th, 2024 General Election, we had an 85 percent voter turnout. There were 99 Election Day registrations. We want to thank everyone who volunteered to work the election and all of our counters. It is greatly appreciated.

There are some election law changes that we would like to point out.

HB 1569 took effect on November 11th, 2024. The law no longer allows an applicant to complete an affidavit as an alternate means of proving to be a qualified voter. Please familiarize yourself with the documents required to register to vote in NH.

"Every election is determined by the people who show up" - Larry J. Sabato

"Nobody will ever deprive the American people of the right to vote except the American people themselves, and the only way they could do this is by not voting." – Franklin D. Roosevelt

An interesting fact: New Hampshire drafted the first State constitution, even before the US constitution was established.

"The founders believed that American citizens have a duty to vote with thoughtfulness and intentionality. We have received a rich inheritance from previous generations, men and women who protected our constitutional republic and gave us the ability to make our voices heard. It's our obligation to use that inheritance wisely and pass it on to future generations."

Keep Alexandria voter turnout high. Stay informed and <u>VOTE!</u>

ALEXANDRIA HIGHWAY DEPARTMENT Year Ending December 31, 2024

The Highway department is running smoothly with our current Team. Thank you, Tom Moore, Joey DeBassio, Kayman Spaulding and our newest member Matt Willette for your dedicated service to the residents of Alexandria.

We have incorporated the new International 6 wheeler into our snow routes. We were also able to save enough of our working budget in 2024 to sign a purchasing lease for a new roller. This is a vital piece of equipment for spring and fall grading.

We were able to repave Fowler River bridge and completed the scheduled paving of Mount Cardigan Road. In 2025, we hope to be able to pave sections of Patty Hill Road and Berry Road, repave all of Belser Road and pave all of Stoney Lane which is currently a dirt road.

Due to the dry weather this year, we were unable to grade some of the dirt roads as well as we would have liked to. But we were able to get the ditches cleaned out. With that being said, I would like to make a couple policies more aware to the residents of Alexandria. There must be 3 inches of snow present on the roads before trucks will be called out to plow. So please keep this in mind as you travel through the many snow squalls that have been occurring. Also, you cannot plow or snow blow your driveway by pushing snow across or into a town road. This also means you cannot clean your car off in the road. Excess snow placed in the road by residents can cause accidents. If you are found to be doing this the town has the power to fine you after one warning.

A special thank you to Jennifer, Fran, Shelly, and Becky in the town office for their continued support. As always, we would like to thank the residents of Alexandria for their patience and understanding as we work on the roads to keep them safe for all.

Sincerely, Paul Sirard Road Agent

ALEXANDRIA TRANSFER STATION Year Ending December 31, 2024

The current transfer station has experienced several personnel changes this year. Thank you, Prudence Lovett, Rodney Braley and Ken Hall for your service and for keeping the transfer station running smoothly.

We would like to express our condolences to friends and family of Herb Ramsey who passed away over the summer. He was a reliable and well-liked part of our team.

The new transfer station is coming along. SKR has been moving dirt to accommodate for the concrete that is expected to be poured this coming spring. A date for completion has not yet been scheduled, but we are continuing our efforts to complete the new transfer station in a timely fashion.

Thank you all,
Paul Sirard
Road Agent/Transfer Station Supervisor

Officer Joshua Reynolds joined the Alexandria Police Department in December of 2023. Officer Reynolds starting Field Training before attending the Police Standards and Training Full-Time Academy. After graduating, Officer Reynolds wrapped up his Field Training and is now out on patrol. Officer Reynolds grew up in the area, still lives locally, and is honored to be serving in the community.

Overdose prevention kits are available at the Town Offices in the Recovery Friendly Community Resource Center. This is located on the wall between the Town Clerk and the Police Department, no questions asked for the resources available. There is a great video on our Facebook page that explains that one death is too many. The number of overdose deaths in NH is the equivalent of the entire population at the NRHS.

Working with our Community Safety Partners: The Highway Department through a rough mud season; the usual Spring flooding, and paving projects. The Fire Department through general call responses, several Red Flag Warnings, and the Annual Pumpkin Open House.

We also had several invites to School Events including Celebrating a Young Citizen on his Civics Project, he chose to add additional items to the Human Care Kits the Alexandria Police Department has thanks to our community partner, The Doorways at Concord Hospital Laconia. Elementary School Project Promise Collaboration, Choosing Love with Compassion, Forgiveness, Gratitude, & Courage. Red Ribbon week at Newfound Memorial Middle School. Senior Project presentations.

July brought a chance for our own Administrative Assistant, Becky, to go Dancing Under the Stars with our community partner Voices Against Violence. Becky and her dancing partner Jeff Brode brought home the People's Choice Award with their Sparkling Trolls inspired Hustle routine to Earth Wind and Fire's *September*.

Thefts from residences and vehicles throughout the year please remember to lock your vehicles, doors, and windows. With multiple thefts reported through, please remember to lock your vehicles, doors, and windows. Secure anything of value outside. Also, security cameras and/or signs are a great tool to combat theft. If you see anything that seems suspicious, please reach out to us.

We are grateful for the continued support of the citizens of Alexandria and are proud to serve such a wonderful community.

Annual Report – 2024

UNH Cooperative Extension provides outreach and resources from UNH to strengthen people and communities across New Hampshire. Through a partnership that began over 100 years ago with the county, state and federal government, and an office in each of New Hampshire's ten counties, Extension reaches people where they are, offering access to research-based solutions.

Throughout the past year, Extension had a positive impact on individuals and communities across NH by: Working with towns to help find solutions tailored to their needs to address the housing crisis; Providing guidance to landowners to help them achieve their land management goals and help create healthy forest lands; And, training Master Gardener volunteers who will help maintain educational and production gardens in local communities.

This was the second year of the sweet potato variety trial in which data was collected to determine which varieties are best suited for our region. Also, to help minimize the risk of contamination and food-borne illnesses, presentations on farm food safety were given to growers, and trainings were provided for staff and volunteers at NH retail food establishments and food pantries.

Through the Global Gourmet curriculum, 4-H members had the opportunity to explore other cultures and give a presentation on what they learned. The Nutrition Connections program provided several nutrition education and physical activity lessons which made use of the Collaborative Garden at the Whole Village Family Resource Center in Plymouth for hands-on activities.

To learn more about programs and resources that are available, please visit <u>extension.unh.edu</u>.

CADY 2024 ANNUAL REPORT Town of Alexandria

Communities for Alcohol- and Drug-Free Youth would like to thank the Town of Alexandria for your support over the past year. Together we are preventing substance misuse and building possibilities, potential, and promise for our children.

Addiction is one of the most complex issues facing NH today—the consequences of this epidemic are severe with overdose deaths stealing the lives of 431 people in 2023. Research shows that 90% of those struggling with addiction began using alcohol and other drugs before they turned 18. Use of addictive substances during adolescence poses serious risks of harm, including interference with brain development and significantly increasing the risk of addiction. We must remember addiction is a progressive disease that's preventable. CADY works to build protective factors and reduce risk for our children and youth, and together with our community partners, we are accomplishing that important goal.

CADY believes local problems need local solutions; as such, it is our collective responsibility to address these problems head on to ensure that we are supporting the healthy social and emotional development of children in our region. The 2023 Newfound Youth Risk Behavior Survey data indicates that local youth are experiencing significantly higher rates of sadness, hopelessness, and rates of suicidal ideation than statewide averages. Misuse of alcohol, high-potency marijuana, vaping products, and prescription drugs are risk factors of great concern. The lack of treatment and mental health services for children in New Hampshire makes preventing these problems before they start a more urgent goal.

With your support, CADY continues to build youth resiliency by providing asset-building, high-impact prevention programming and leadership training for hundreds of area students in grades 5-12. We also continue to provide our most vulnerable youth with a second chance to overcome challenges, to learn, grow and to turn their lives around through our region's juvenile court diversion program, Restorative Justice (RJ). Many of the high-risk youth referred to RJ are already struggling with substance use disorders—this vital intervention is preventing entry into the addiction pipeline and saving lives. To provide wrap-around support, we have a highly qualified mental health professional on staff to provide trauma-informed counseling to RJ youth and their families.

CADY believes every child deserves a promising future. That's why we're doing whatever it takes—every day—to help local children, especially those hardest to reach and most vulnerable. We, as trusted adults, need to work together to protect the precious years of childhood from the harms of social isolation, mental health crises, substance misuse, and addiction.

Thankfully, our collective action has the power to transform lives by preventing youth substance misuse through education, skill building, early intervention services, social-emotional supports, and offering opportunities for mentoring and resiliency building. We thank our community partners for working tirelessly with CADY to build healthy environments that foster hope, growth, and resilience. We cannot do this critical work without you. Thank you to the citizens of Alexandria, we are truly honored and grateful for your support.

Sincerely, Deb Naro Executive Director

FY24 Annual Report

Town of Alexandria

The Lakes Region Planning Commission (LRPC) is a voluntary association of 30 communities that span across the counties of Belknap, Carroll, Grafton, and Merrimack, and is enabled under RSA 36:45. The LRPC acts as an essential conduit for federal funding for many programs including Watershed Management, Transportation, Hazard Mitigation, Brownfields, CDBG, and Housing. The LRPC employs a highly trained, professional staff to provide a wide variety of cost-saving local services as presented below, and coordinates transportation, land use, economic development, and environmental planning at the regional level. A twelve-member Executive Board, together with municipally appointed Commissioners, governs the LRPC. Operations are overseen by the Executive Director.

The LRPC recognizes that the foundation of regional decision-making lies within local communities. Membership provides access to a wide range of services and resources including:

- Environmental Planning such as Watershed Management, Household Hazardous Waste, and Brownfields.
- Technical assistance with Master Plans, Capital Improvement Plans, Hazard Mitigation Plans, Zoning and Site Plan Regulations, Developments of Regional Impact, and Circuit Rider assistance.
- Economic development assistance including CDBG and NBRC.
- Transportation planning including, Scenic Byways Planning and Corridor Management, TAP and CMAQ grant funding, and Ten Year Plan project inclusion.

The following are highlights of our FY24 activities. For our full FY24 Annual Report, please visit the *About LRPC* page on our website at www.lakesrpc.nh.gov.

Brownfields	• LRPC provides Brownfields Assessment and Reuse Planning funding for priority redevelopment sites, as well as assistance for municipal Clean-up Grants.
Culverts & Closed Drainage Systems (CCDS)	 LRPC provides fee-based inventory and analysis of municipal culvert and closed drainage systems to help with municipal asset management and capital funds planning.
Economic Development & Housing	• LRPC assists communities with HOP grant activities such as Housing Master Plan Chapters, ADU Ordinances, and TIF districts.
	LRPC provides regional support for the Northen Border Regional Commission grants.
	• The 2023 Housing Needs assessment is complete with an update on the way. Visit our website to access a copy to understand your community's needs.
	LRPC provides regional support for CDBG Microenterprise grants.
General & Technical	Provided information regarding available GIS data to master plan consultant.
Assistance including Circuit Riding, Master	• Met with sewer/water personnel and Town Planner to discuss connections between water and sewer infrastructure.
Plan, Ordinance and Regulations	 Provided information to Town Officials concerning a webinar being offered by the Office of Planning and Development & State Floodplain Management Program regarding updating flood maps, with the potential effect on flood hazard insurance rates and the need to update local floodplain ordinances.
	• Worked with Town Officials to fill vacancies and/or maintain Commissioner and TAC membership.
	 As a member of the LRPC, Town Officials are encouraged to contact the LRPC regarding our services or any other regional planning related issues.
GIS Mapping	• LRPC is a great resource for land use planning maps. LRPC provides both digital and large scale hard copy zoning, town road, natural resource or community facility maps.

Homeland Security Emergency Management (HSEM)/Hazard Mitigation Plan (HMP)	LRPC provides consulting services for HSEM Hazard Mitigation Plan grants, including Plan audit, update, and community outreach.
Household Hazardous Waste (HHW) Collection	• Coordinated our 38th Annual Household Hazardous Waste (HHW) Collections in the Summer & Fall of 2024, and widely promoted this event to reach the maximum number of households. This event provides a safe disposal option for residents in our participating communities.
	Addressed calls from residents concerning Household Hazardous Waste collections.
	Alexandria Household Participation: 27
	• Please go to our website (lakesrpc.nh.gov) if you missed this year's collection for alternative disposal options.
Planning & Land Use Regulation Books	• Coordinated the purchase and delivery of 335 copies of the annual NH Planning and Land Use Regulation books as part of a regional bulk purchase at a savings of \$104.75 per book/e-book, and \$96.50 per book with supplemental e-book.
	Alexandria purchased 8 books. Total saved: \$838.00
Road Surface Management System (RSMS)	LRPC provides fee-based inventory an analysis of the municipal road surface systems to help with municipal asset management and capital funds planning.
Solid Waste Management	• LRPC provides a wide range of services to solid waste operators throughout the region including information, training, signage, roundtable events, regional purchase opportunities, and much more.
Transportation Planning	• LRPC is the regional contact for municipal submissions of projects to the State's Ten Year Transportation Plan (TYP), as well as host of the Transportation Advisory Committee (TAC). As a member of the LRPC, Town Officials are encouraged to contact the LRPC regarding their TAC appointee.
	LRPC is the regional contact for allocation of federal highway funding, including Transportation Alternatives Program (TAP), Congestion Mitigation and Air Quality (CMAQ) grants.
	• LRPC is the regional contact for other NHDOT programs such as Highway Safety Improvement (HSIP), Scenic Byways, and Complete Streets.
	• LRPC staff conducted traffic counts at 5 locations within Alexandria as requested by the municipality or by the NH Department of Transportation.
Watershed Management Planning	• LRPC provides community assistance with both NHDES 604b Watershed Assistance Grants, and 319 Infrastructure Grants.

The LRPC is a participation-based organization where Commissioners have the final say on the annual budget and can determine what services the organization provides. • Alexandria representatives to the LRPC during FY24 were:

Commissioner	Term Expiration
Gary Tomlinson	(resigned Sept. 2023)
Alternate	Term Expiration
George Tuthill	05/02/25

TAC Member	Term Expiration
George Tuthill	06/01/25

What a year we have had in 2024! The grant we received for the renovations of our building has been put to good use. The project began in January of 2024 and the transformation to date has been amazing. Many historical artifacts have been unearthed that have included programs for a Church service that was held in 1893, an intact crock cover, a secret stairway and much more! We have had a new gym floor installed, new offices, updated game room, sprinkler & security system, new stairwells and a lift from the basement to the main floor!

The support and generosity from our Newfound Community has been overwhelming. The TTCC is so fortunate to have shared wonderful memories with multiple generations of families. As a staff, we know how lucky we are to be able to serve the region with a great team of Volunteers, Board members, and people of all ages. We consider it to be an honor and a gift to be able to do the work that we do.

Our plan over the next few years is to have an additional space that will include a full size gymnasium, commercial kitchen, and additional program space. We have grown to the point where we cannot accommodate the many needs of our community with just our much beloved TTCC building.

We had 480 young athletes participate in the multiple sports offerings that include Baseball & Softball, Basketball, Soccer, Field Hockey, and Track & Field. Our Teen Night program provided 103 teens a place to go on Tuesday & Thursday evenings that included a free dinner, open gym & game room and other activities with our awesome staff! We have an active Teen Council with more than 20 High School students that meet weekly with our Teen Program Coordinator to plan and implement Parents Night Out events, Teen Dances and staffing of TTCC events.

With the help of our strong financial team we are planning for the future with many new ways to support the Center through Legacy Giving, Donor Advised Funds, Gifts of Stock in addition to our Annual Fund Drive. "Wink" Tapply started an endowment fund during his time at the Center with the hope that one day those funds would help to offset the costs of running the programs. Although it has taken many years we are starting to build on his dream and secure the financial future of our programs for generations to come. This could not be done without the many donors that believe in our mission and support us in a multitude of ways.

Because of our emphasis on youth programming many people do not realize that we have a strong and thriving menu of adult activities as well. Our gym is filled throughout the year with a growing group of Pickle Ball players, Badminton, Adult Softball, Line Dance and Dance classes. We offer our Shape Up Newfound Exercise program at the Bristol Elementary School under the guidance of Donna Evans & Bonnie Tisdale. They have a great following and keep exercising fun and rewarding! We also offer Adult Volleyball at the Bridgewater Hebron Village School twice a week. We are so grateful to the Newfound Area School District and the Bridgewater Hebron Village District for the use of the school buildings to make many of our programs a success.

With the help of our community we were able to provide over \$30,000 in program scholarships to local families. Through our collaboration with Newfound Country Store on the annual Turkey Trot Race we raised over \$16,000 in 2024 to help local families in need. We often hear from people that are new to the area on what a wonderful community we have here in the Newfound Region. Through all of us working together we make sure that when there is a need it is filled. There is a vibrant community spirit that is apparent to all that live or visit here. All of us at the TTCC feel extremely fortunate to be part of this amazing community we live in!

On behalf of our TTCC Staff & Board we thank you!!

Alexandria Village School Annual Report 2024

Alexandria Village School (AVS) located at 44 Mount Cardigan Road is a town treasure! Activities held at the school included a toddler program, tutoring, home school activities, church services and a variety of personal events by community members looking for a meeting location. There is a playground available to the community, as well as opportunity to request use for the space. Our mission is to use this space to enhance community engagement. We hope to bring our children together to engage with each other and to learn and grow together.

To our community: If you have a program in mind that you would like to utilize the school for; please reach out for further information. We are looking to bring more events to our school house! Please email at alexandriavillageschool@gmail.com with all pertinent details! We look forward to sharing this wonderful school with you!

Deborah Richardson, on behalf of AVS Board

STATE OF NEW HAMPSHIRE

Executive Council

JOSEPH D. KENNEY
EXECUTIVE COUNCILOR
DISTRICT ONE

STATE HOUSE ROOM 207 107 NORTH MAIN STREET CONCORD, NH 03301 (603) 271-3632

In the year of 2024, the hot topics continue to be housing, workforce, and childcare. It was a year where rural broadband projects continue to be built out and implemented throughout the state. The near billion-dollar American Rescue Plan Act (ARPA) funding for essential and critical projects around the state have been programmed and many have benefitted District 1. Broken ground has occurred on the Veteran Campus in Franklin, the Laconia State Property was sold to Pillsbury Realty and Development of Londonderry, a ground breaking occurred on a new fish hatchery in New Hampton, the Raymond S. Burton Training Facility started its expansion project in Bethlehem for our firefighters/EMS personnel, purchase of improvement equipment to the North Country Dispatch Center, and the NH INVEST program has created hundreds and hundreds of housings units' opportunities statewide to include: Whitefield, Conway, Franklin, Dover and Rochester.

This Councilor has been an advocate for a northern New Hampshire food warehouse and with cooperation with the NH Food Bank we were able to establish a temporary warehouse in Berlin this year.

Between January to December 2024, the Executive Council confirmed 12 Circuit Court Judges, and 3 Superior Court Judges. Judge Ellen V. Christo was appointed as the Administrative Judge of the Circuit Court in July replacing Judge David D. King who retired.

The Council confirmed a new Office of Professional Licensure and Certification Commissioner, Fish and Game Director, A Special Education Advocate, Public Utilities Commission Commissioner, and a Deputy Adjutant General.

The total contract items reviewed by the Executive Council were approximately 2,842 to include 5 late items over the course of 21 meetings. Of the 236 confirmations of board and commission positions, 47 were from District 1. On August 30th, District 1 hosted an on-the-road meeting at the Wakefield Town Hall in celebration of the town's 250th Anniversary. The Governor and Council traveled into Sanbornville on a Northcoast train from Somersworth to honor the rail history of Wakefield. At noon, the Governor and Council participated in a reenactment of the original incorporation of the town at Copps Farm (now the Denley Farm).

This Councilor's priorities will continue to be economic development, mental health services, childcare and housing.

The Governor and Council are always looking for volunteers to serve on the dozens of state boards and commissions. If you are interested, please send your resume to Governor Kelly Ayotte, State House, 107 North Main Street, Concord, NH 03301; attention to Director of Appointments/Liaison or call at (603) 271-2121. A complete list of all state boards and commissions are available at the NH Secretary of State website: https://media.sos.nh.gov/govcouncil/WORKING%20REDBOOK.pdf

My office is open to requests for state constitutions, tourist maps, consumer handbooks, etc. I periodically email my weekly schedule and Wrap Up Newsletter. If you would like to be included on this list, contact me at joseph.d.kenney@nh.gov. I also have an internship program for college students. My office number is (603) 271-3632. I am always available to old and new friends. Please stay in touch.

Serving you,

Executive Councilor Joe Kenney

Request for Alexandria Allocation in Fiscal Year 2025: \$3,500

Founded in 1966, Lakes Region Mental Health Center (LRMHC) is the state-designated community mental health center (CMHC) serving 24 towns in Region 3 (Belknap and southern Grafton Counties). LRMHC's **mission** is to provide integrated mental and physical health care for people with mental illness while creating wellness and understanding, in our communities. The organization's **vision** is to be the community leader providing quality, accessible and integrated mental and physical health services, delivered with dedication and compassion.

CMHCs are the mental health safety net system of care in our state. They serve the most vulnerable people who require the highest levels of care, are the furthest from socio-economic opportunity, and therefore are dependent on Medicaid to access needed services. LRMHC's annual budget is comprised of up to 70% Medicaid reimbursements. In Fiscal Year 2024, LRMHC and the other 9 CMHCs found themselves caring for a significant number of people with chronic mental illness, but with no payer source to fund that care due to circumstances arising from the ending of the Covid-19 public health emergency. LRMHC provided over \$906,000 in charity care, a **184%** increase from the prior fiscal year. The support of the towns we serve is more important than ever so that we can maintain services.

LRMHC has agreed to be a leader in the NH Department of Health and Human Services (DHHS) "Mission Zero" plan to eliminate hospital emergency department psychiatric boarding, and has designated part of the Plymouth office campus as a crisis center called "A Place to Go". A Place to Go offers people in crisis with acute psychiatric needs access to care and supports to address their immediate psychological needs. A Place to Go will benefit the entire central region of NH, and the Town of Alexandria by helping to reduce the burden on local emergency resources (police, fire, emergency department), as well as providing a vital service to residents that will increase positive mental health outcomes.

Every dollar the town of Alexandria contributes is invested in care for people in Alexandria. It is leveraged with funds from other towns to offset the tremendous cost of high-quality access to care.

From July 1, 2023, to June 30, 2024, LRMHC:

- Served **3,280** patients and provided over \$906,000 in charity care
- Served 37 residents of Alexandria, an 8% increase in patients served from the prior fiscal year
- Provided \$7,460 in charity care to residents of Alexandria, a 148% increase in charity care provided from the prior fiscal year

Alexandria residents represent 1% of the LRMHC catchment area.

Like the police or fire department, Mental Health Care is a municipal service and a safety net for *all* residents of your town, not just those utilizing the service. Alexandria's appropriation ensures the provision of this essential service for the residents of your community and reduces the burden on your town.
