 - AMC/Shem Valley Road
 - The Selectmen expressed concern regarding public safety and road maintenance equipment space concerns on Shem Valley Road up to the AMC lodge. The land on either side of Shem Valley Road in that area is owned by AMC and the State. Concerns were expressed that there is not adequate parking at the lodge for people visiting the area and it results in parking along the side of the road and not adequate space to turn around town equipment when working on the road. The Selectmen had sent a letter to our state Senator and Representatives with their concerns; Senator Innis responded that he will contact AMC with the concerns. Paul Sirard said that he had previously met with representatives from AMC and the state regarding parking and, while they agree it is a concern, there was disagreement on who would pay for creating parking space and the location.
 - 2025 Volunteer Fire Assistance Grant Funds Resolution (Grant for funds to purchase new radios):
 - Be is resolved that Jennifer Dostie is duly authorized to enter into contracts or agreements on behalf of the Town of Alexandria with the State of New Hampshire, acting by and through the Department of Natural and Cultural Resources, and is further authorized to execute any documents on behalf of this Municipality which may be in his/her judgement desirable or necessary to effect the purpose of this resolution. The Selectmen voted all aye to the resolution.
 - Nancy McComas-Sharp asked about a Meet the Candidates night. The Selectmen explained that they were advised to not coordinate a Meet the Candidates night but that another group of citizens could coordinate the event. Nancy Whitman mentioned that the Alexandria Historical Society had done this in the past but they were not well attended.

Meeting adjourned 6:20 pm

Respectfully submitted, Jennifer Dostie, Administrative Assistant
