WELLINGTON STATE PARK PASSES: Wellington State Park beach passes are available to be purchased through the Town Clerk/Tax Collector's Office. Wellington State Park is owned and run by the State of New Hampshire. Each year, the Town applies for a special use permit from the State in order to provide the passes. The special permit only grants the town the ability to sell passes to residents and/or taxpayers of the Town of Alexandria, their spouses and dependent children. The beach passes are nontransferable. Please keep in mind that the state recommends making reservations to the park; otherwise access to the park is on a first come/first serve basis. Please plan ahead in the event the parking areas reach capacity. For more information or to make a reservation visit nhstateparks.org.

2025 Wellington State Park Beach Passes

Passes are in the Town Clerk's office
and are available only to Alexandria residents and taxpayers.

REMINDER: Payments for tax bills can be made online via electronic check or credit card by visiting our website at alexandrianh.com and clicking on the "Property Taxes Review/Pay Online" button.

Service Fee: We are using Invoice Cloud to process your actual payment. To cover the cost of the transaction, Invoice Cloud charges a service fee, the amount of which depends on the method by which you choose to pay and the costs to Invoice Cloud associated with processing that type of transaction. Electronic checks (ACH) are charged a flat fee of \$0.95 per transaction. Credit and debit cards are charged 2.95% of the amount being paid. For instance, if you are paying \$100 by credit card, the service fee will be \$2.95. **Making a Partial Payment?** Partial payments can be made by adjusting the Payment Amount on the Check Out Page.
